

Colorado Mesa University Media Day Image Release Consent

Dear Parents,

Your student is registered to attend Colorado Mesa Media Day on March 4, 2013. Media Day is a full day of workshops, presentations and seminars conducted by CMU Mass Communication faculty and professionals in the fields of journalism, marketing, design, photography, public relations, advertising and broadcast media.

This year many of the workshops will be featured on our event website, [cmumediaday.com](http://cmumediaday.com). Photography, video and written material will be posted on the website so that students may show the results of their work to parents and fellow students.

Please sign the release below so that we may include your student's images and work in the project. If you have any questions, please contact the teacher or media adviser who will be taking your son or daughter to the event.

Thank you,

Dan Flenniken
